

# Montague Glider Festival

The Montague Glider Festival has evolved from the Montague Cross-Country Challenge. It takes place at/near Siskiyou County Airport at Montague, California, from June 7 through June 15, 2014.

The Montague Glider Festival consists of three separate events: Scale Aerotow (June 7-8), GPS Racing (June 9-11), and FAI Cross-Country June 12-15).

This is the 17th event organized by Dean Gradwell and his friends. Judging by the meticulous execution, friendly and generous hospitality, and superb yet challenging flying conditions of the previous 16 contests, this will be a most notable soaring event in the US.

Concurrently with the RC Festival, Siskiyou County Airport will host a full-size vintage glider fly-in.

---
